CLARIFICATION OF CBD INGREDIENT INFORMATION FOR UK MARKETS

LA PALM® MASSAGE BODY LOTION WITH CBD

Effective Date: July 7, 2026

This letter is provided to clarify the ingredient information associated with our LA PALM® MASSAGE BODY LOTION WITH CBD.

We certify that LA PALM® MASSAGE BODY LOTION WITH CBD contain 0.0001% cannabidiol (CBD) by weight. The products contain no intentionally added THC, and any THC present, if detectable, is only at trace levels consistent with applicable manufacturing standards, as confirmed by the product's Certificate of Analysis (COA).

This clarification is intended to accurately reflect the CBD content of the products and provide additional information regarding the presence of THC.

We trust this letter provides the necessary clarification regarding the ingredient composition of the LA PALM® MASSAGE BODY LOTION WITH CBD. Should you require any additional documentation or information, please contact us directly.

Sincerely,

La Palm Spa Products®
